## YOGA FOR ATHLETES & SPORTS TEAMS

**ceiba tree yoga**

More athletes, professional and amateur sports teams are adding yoga as a component of their overall training. The many benefits of yoga are life long. Yoga helps to counter the impact that participating in competitive sport can have on your physical body. Yoga also helps to build strength, flexibility and balance in the body. Breathing techniques can help to calm nerves and increase focus prior to competition.

**Benefits of Yoga for Athletes + Teams**

- Reduces stress, anxiety and fatigue
- Reduces muscle tension and pain
- Increases energy and vitality
- Improves memory, mental clarity and concentration
- Improves posture, muscle tone and flexibility
- Improves overall health, and stamina
- Reduces back, neck and shoulder pain
- Increases motivation and efficiency
- Improves morale amongst team members
- Increases core strength, improves balance and coordination

The calm waters of Rocky Point provide a comfortable and safe environment for first-time paddlers. Rocky Point Park is an excellent location for your school group's day trip offering many amenities within the park to complement the paddling activities. We follow strict, industry safety standards and all of our instructors are certified by Paddle Canada and have many years of experience teaching and guiding sea kayaking and Stand Up Paddleboarding.

**Guided Burrard Inlet Tour**

This guided paddle is a relaxed exploration of Burrard Inlet and the Shoreline around Rocky Point Park. Our guides will educate your students about the local history, environmental features of the Inlet and the local businesses that share our port. Just a short paddle from our shop within this rich marine environment, you will have the opportunity to view our local seals, eagles, osprey and other wildlife around the Burrard Inlet.

**cost per student: \$25    time: 2.5 hours**

**SUP School / Group Lesson**

This 2 hour introduction to Stand Up Paddle Boarding (SUP) will teach your group the fundamentals of Stand Up Paddleboarding. Course will focus on stance/balance, proper paddling techniques and ocean safety. Wetsuits and spray top are included.
